diaphragm 관련

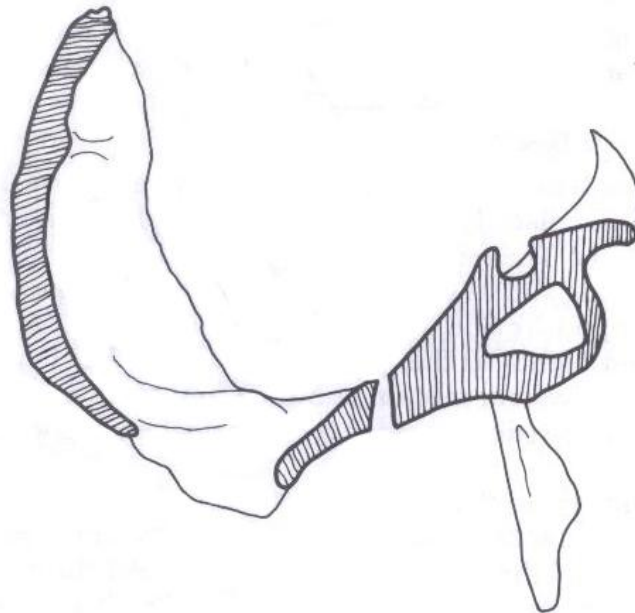

Flexion/extension

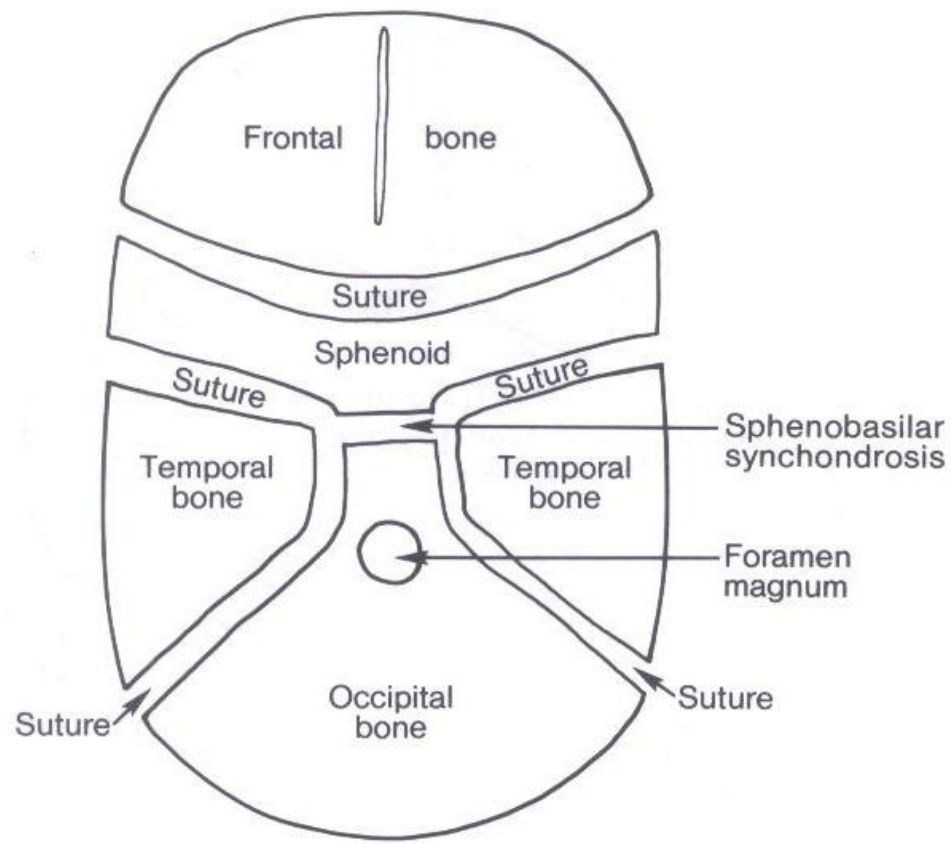

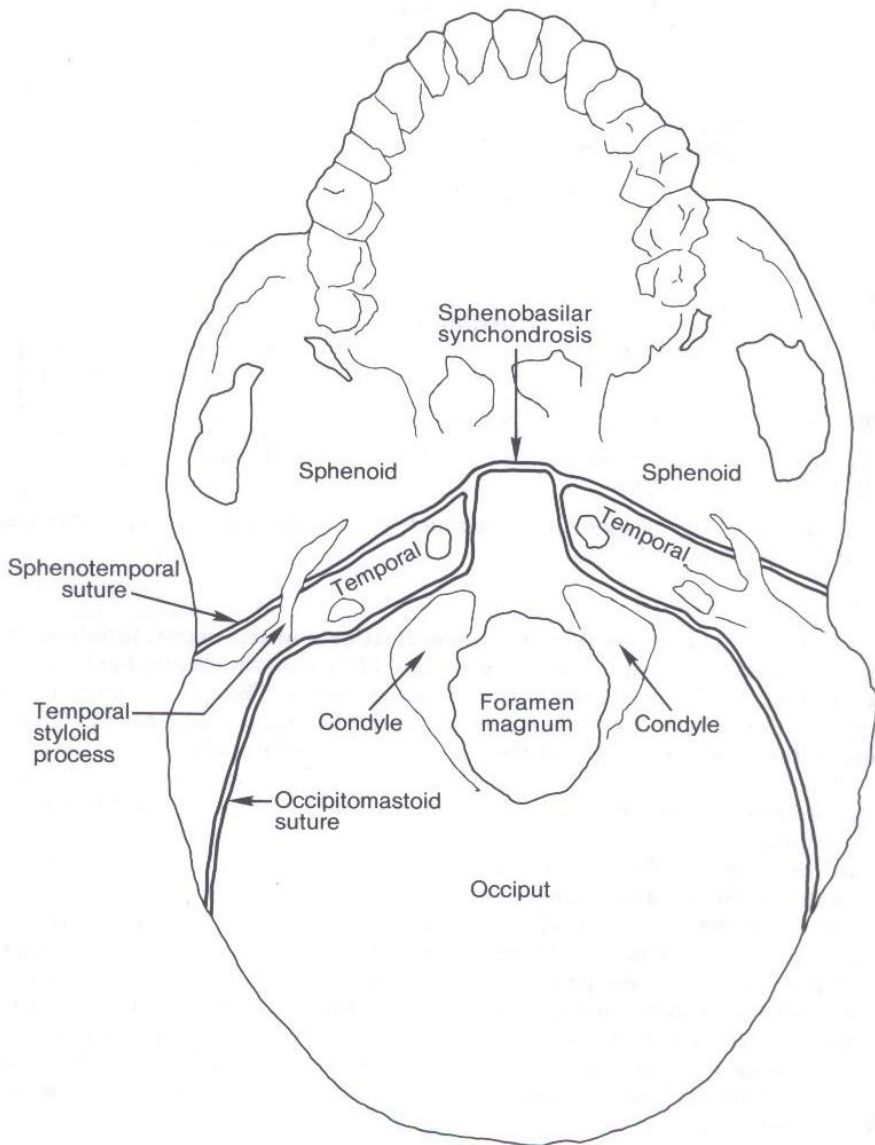

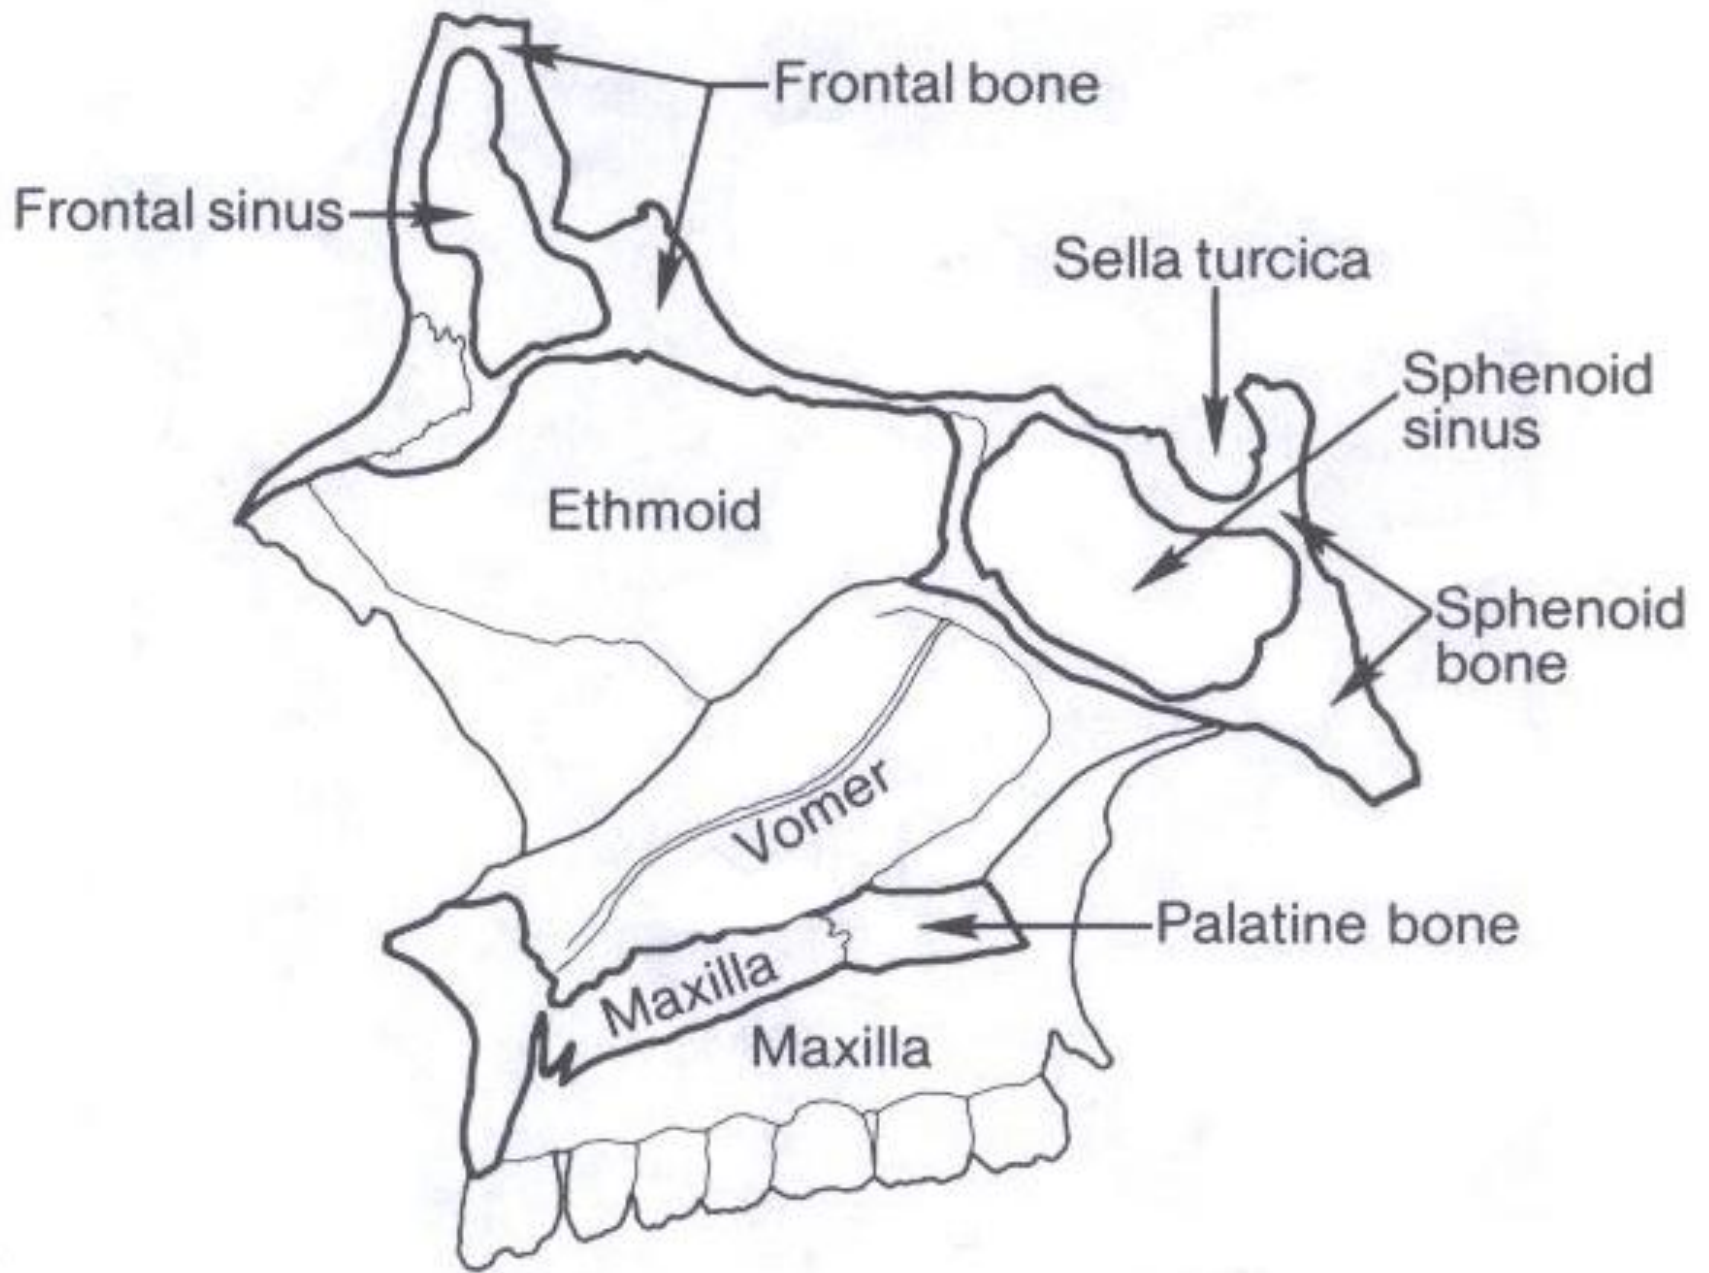

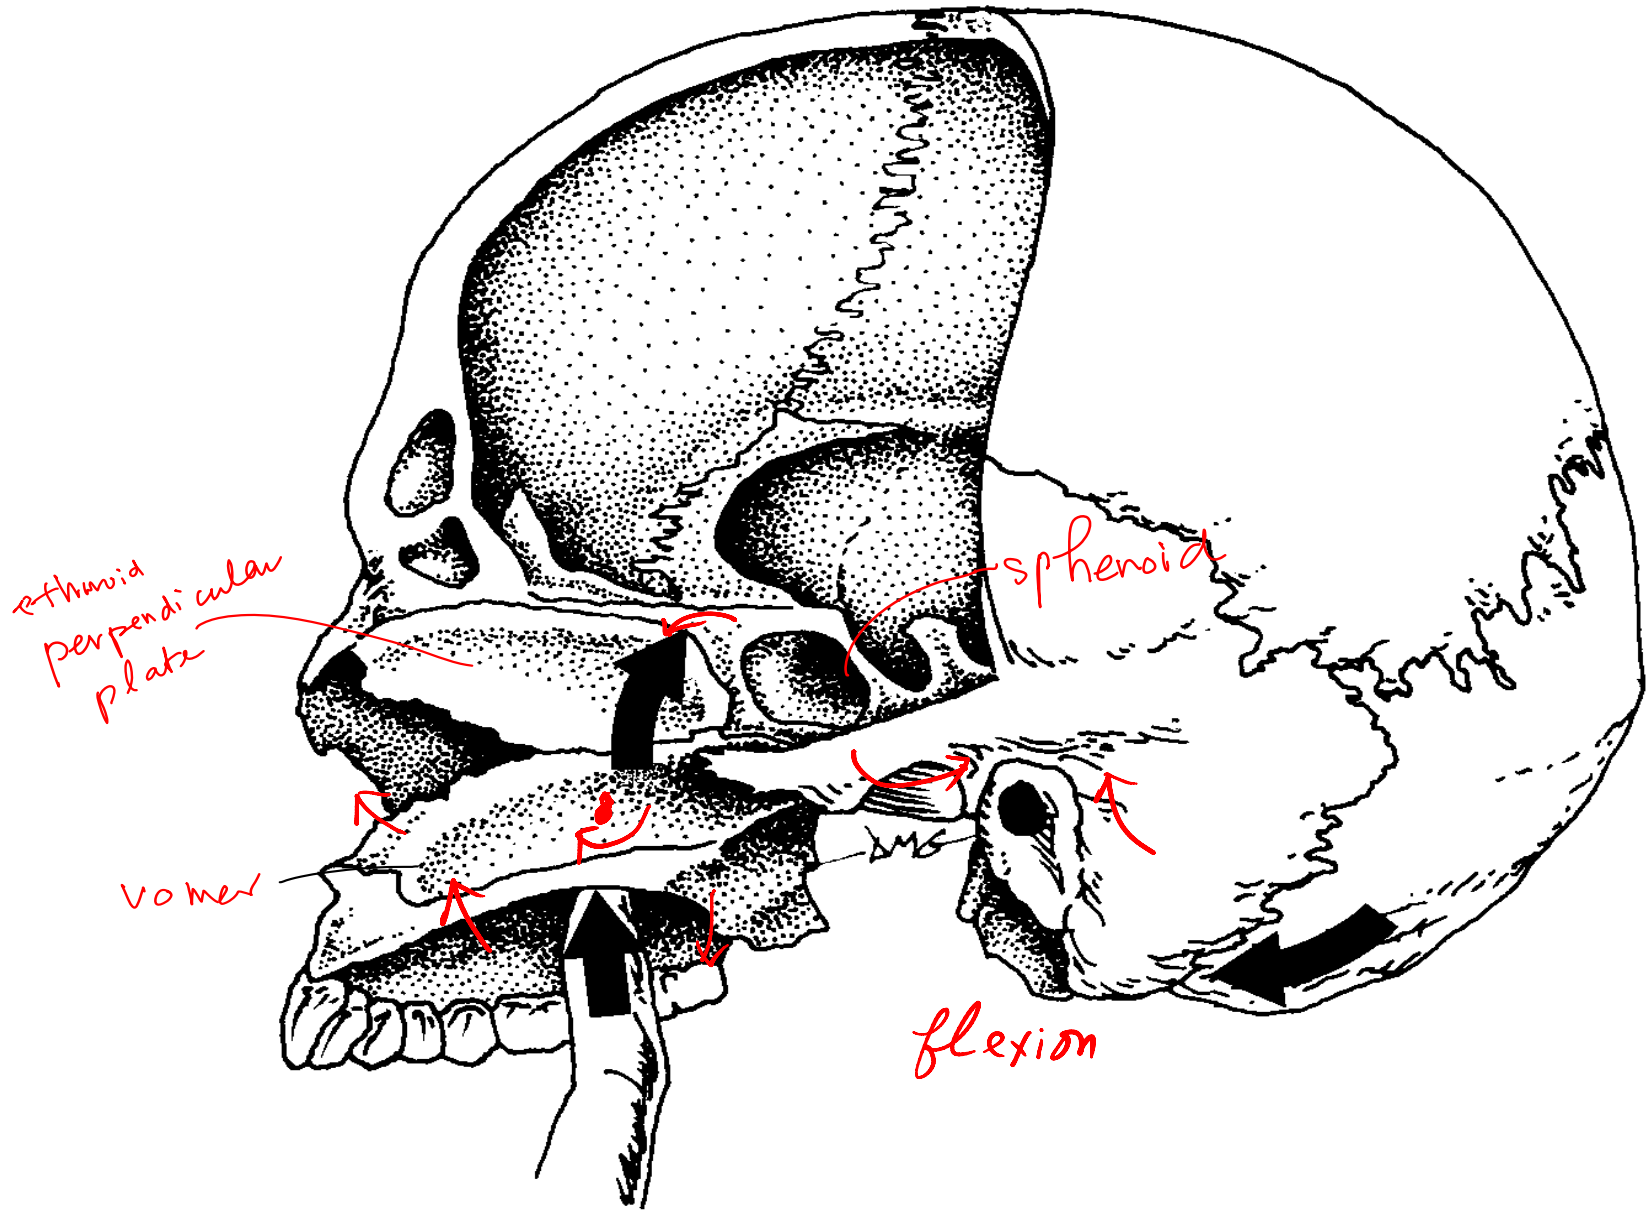

FLEXION

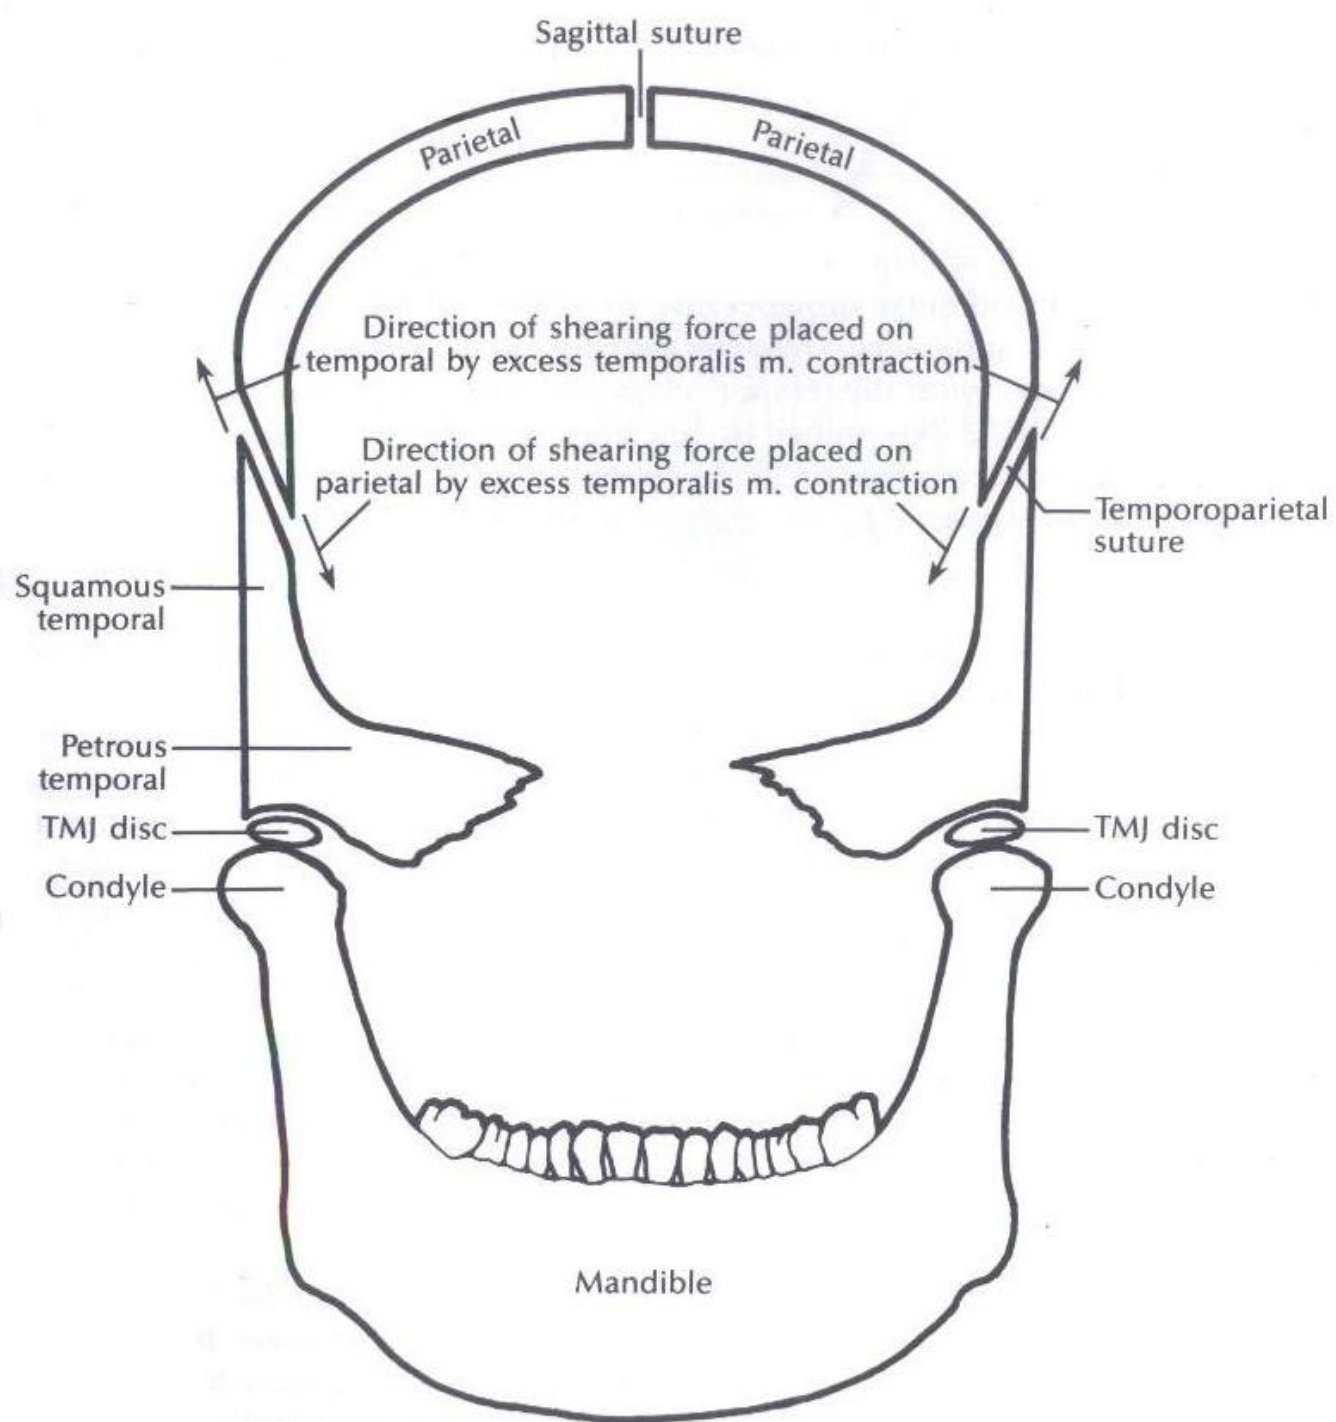

EXTENSION

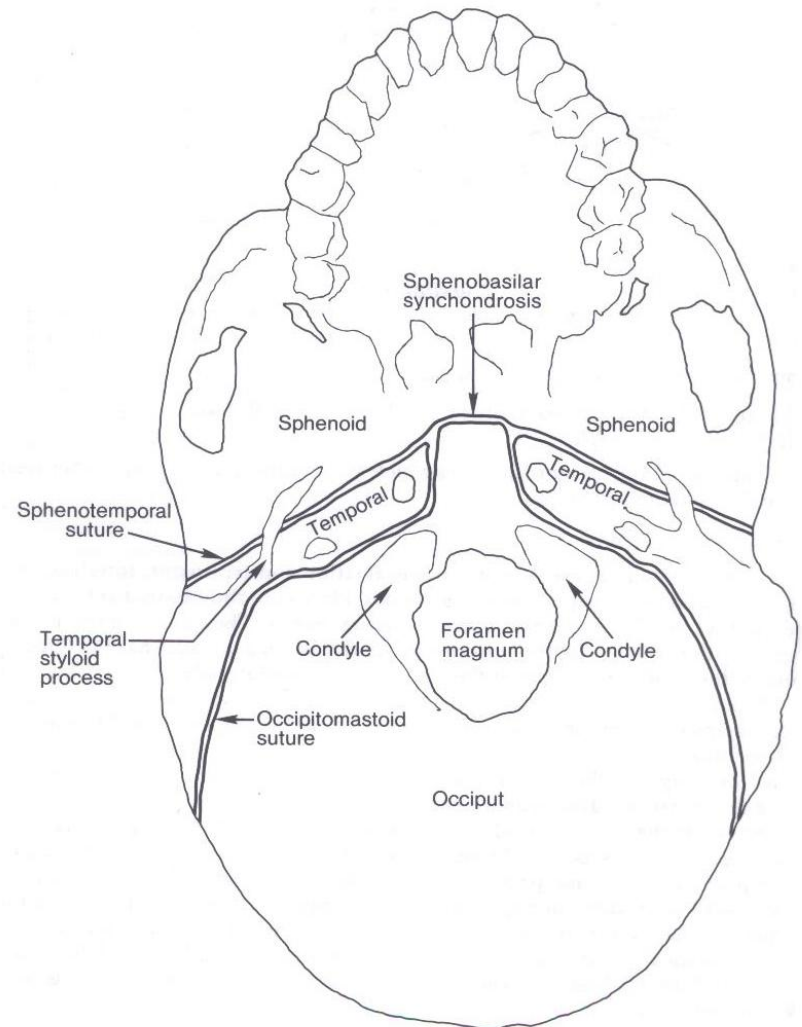

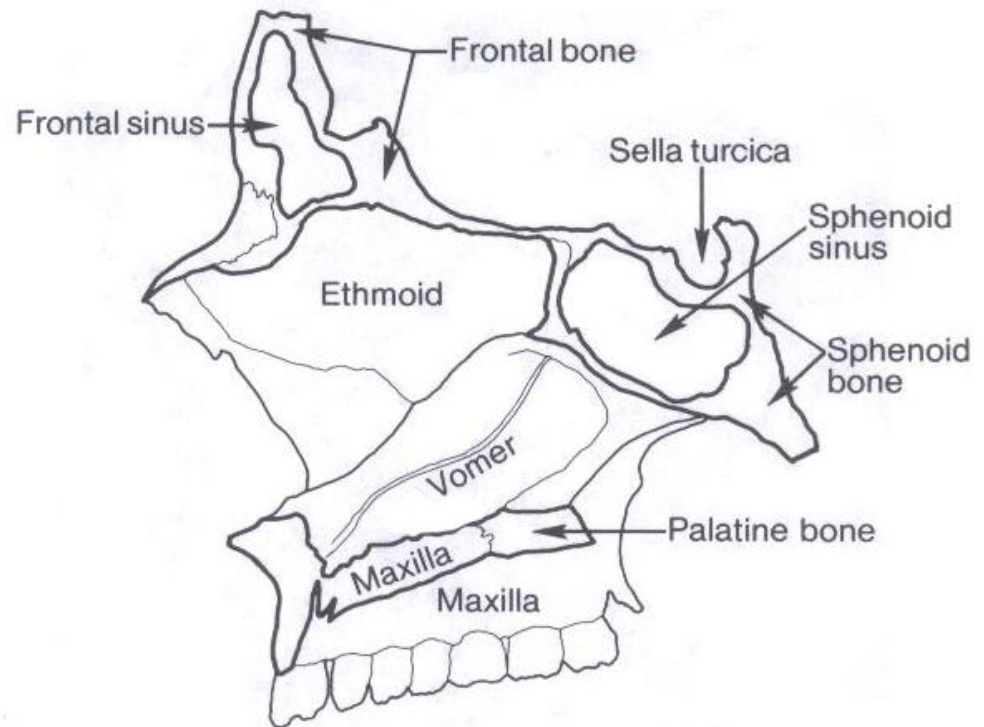

Maxilla-palatine complex

- Flexion/ extension movement
- Torsion: torsion to the R/L
- Shear
- Compression: hard palate-sphenoid decompression

Vomer

- Flexion/ extension movement
- Torsion: torsion to the R/L
- Shear
- Compression: decompression ant inf with stabilizing sphenoid

Cranial fault

- Toxic overload
- Dysbiosis
- TMJ
- Trauma
